APPRAISAL CERTIFICATE

I hereby certify, upon request for evaluation of the property of Orangeville Police Department. I have personally and physically inspected the following listed property for the purpose of appraising and reporting Fair Market Value.

The information and values contained in this Report are based upon my experience as an Auctioneer and other reliable sources. The property was found to be in fair to good condition, unless otherwise noted. Values are reported piece by piece.

APPRAISAL SUMMARY

In my opinion, the Fair Market Value of the listed property is: **\$ 81,682.70**

DEFINITIONS AS USED IN THIS REPORT:

Appraisal	An opinion or estimate of value based upon relevant and factual data, as of a given date, and is usually written.
Value	Present worth of future benefits.
Fair Market Value	A dollar figure (determined by historical data and current market conditions) at which the property would change hands between a willing buyer and seller, neither being under compulsion to buy nor the compulsion to sell, and both having reasonable knowledge of relevant facts of the property.
Inspection/Value Date	Friday, May 13, 2022
Market Conditions	Market prices of the appraised personal property have declined within the past 5 years due to the economy. Regionally and locally market prices have declined due to a stalled economy.

FAIR MARKET VALUE

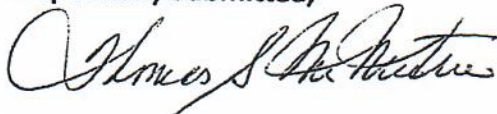

The term "fair market value" as used in this report is defined as follows: The highest price estimated in terms of money which the property will bring in a competitive and open market under any and all conditions requisite to a fair sale, with the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. This Appraisal is based upon the following assumptions, limitations and conditions.

1. The information contained in this Report is gathered from sources considered reliable, from personal examination, research of authenticity and comparable sales and/or auction prices, where available.
2. No responsibility is assumed for matters legal in nature, including but not limited to: representation of others of value, authenticity, conditions, origin, or provenance of an item appraised.
3. The appraiser assumes that a normal, careful examination of the property was sufficient to determine its quality and condition, that no extraordinary examination procedures would be utilized unless specifically requested and the expenditure of funds therefore authorized.
4. Court Attendance: This Appraiser's court attendance and giving of expert testimony are not included as part of this report.
5. Court Attendance Fee: \$150.00 required prior to testimony.

The undersigned hereby certifies:

1. To the best of my knowledge and belief all statements included in this Appraisal are true and based upon on objective findings and no pertinent information has been knowingly withheld in this report.
